

## Overland Track Transfers & Accommodation made easy

Logistics for the overland track are complicated as a one way walk. Our very popular overland track package provides transport, accommodation before and after along with bag storage and Marie's wonderful dinner.

This we offer at a price cheaper (and much easier) than if you try and coordinate yourself.

How it works is detailed below. To book just email us ([marie@hawthornlodge.com.au](mailto:marie@hawthornlodge.com.au)). We will be very pleased to advise and help.

### Arrival

We pick you up in Hobart or Hobart Airport. We suggest arrive in the afternoon. The drive north from Hobart along the Derwent River to Hawthorn Lodge takes around 40 minutes. We will stop if needed at Woolworths in New Norfolk for any last-minute provisions and to buy if using, methanol fuel. Gas canisters we can supply at cost.

Relax, sort out equipment and then enjoy our included three course dinner at 6.30pm. We offer for sale good value beer, cider and wine.

If you arrive early and want to spend time in Hobart take the Hobart Airporter Shuttle and then store your bags at the luggage store next to the bus terminal in Liverpool Street and we will pick you up at 4.30pm at the bus terminal. We can do similar for MONA.

Whilst Hobart is further than Launceston from the start at Cradle Mountain the transfer time from Hawthorn Lodge to Cradle Mountain is only one hour longer. The return is considerably shorter and avoids a long drive after completing the overland track. Hobart being the capital has the significant advantage of many more flights and often much cheaper.

### Drive to start at Cradle Mountain

Enjoy breakfast and depart at 7am or earlier if you wake and ready. We then drive via the Great Lake on very quiet scenic roads to Deloraine. This takes just under two hours. A toilet stop, coffee or tea and then we drive up to Cradle Mountain. We aim to arrive around 10.15. This allows plenty of time to climb Cradle Mountain and/or enjoy a coffee. And be ahead of the main rush.

Register, take the shuttle bus from the Cradle Mountain Visitor Centre to the start at Ronny Creek and your first night at Waterfall Valley.

### Meet you at the finish at Lake St Clair

We agree the day and time you want to be met. Most catch the 1pm ferry, this means that we normally pick up at 2.45 (but can be earlier). This allows time to enjoy the cafe at Lake St Clair.

The alternative is to walk from the Narcissus Hut to the end of Lake St Clair. This is 17km. An option is to stay at Echo Point half way along Lake St Clair.

We then drive down the Derwent Valley enjoying a complimentary drink to Hawthorn Lodge. This takes around 80 minutes.

Hot showers, unpack and enjoy an included three course dinner and sleep in our very comfortable bed.

### Transfer to Hobart or Hobart Airport

For those going to Hobart or hiring a car we depart at 8.45am reaching Hobart at 9.25am. For those taking a flight we depart in time for your flight.
