

Tasmanian Trail

The Tasmania Trail starts in Devonport on the north coast of Tasmania and completes at Dover on the south coast. A distance of 483 km. A trail providing a soft adventure and the chance to appreciate Tasmanian diversity

Hawthorn Lodge is directly on the Tasmania trail in the village of Bushy Park. A popular stopping off place for walkers and cyclists using the trail. We offer users of the Tasmania Trail a number of options to support if you are cycling or walking the full or part trail.
